

Consent for Treatment We agree to consent to and authorize for the school year 2021-2022 any representative of Christ the King School to administer medical treatment to our child/dependent for any injury or illness of an emergency nature that he/she will incur while at Christ the King School or while participating in sports and organized activities at or for Christ the King School by any physician and dentist licensed in accordance with the provisions of the Kansas Healing Arts Act, Kansas statutes Annotated 65-2801 and any hospital except in cases of threatening situations. We agree to pay and assume all responsibility for all medical and hospital expenses and any service of an emergency nature, and charges for our dependents. We acknowledge and agree that Christ the King School, Christ the King Parish and the Archdiocese of Kansas City in Kansas are not responsible for any medical and hospital expenses and charges that are incurred in the medical treatment or hospitalization of our dependent(s).
